Sir:

Pursuant to 37 C.F.R. §1.97(b)(3), and supplementing the Information Disclosure Statements previously filed in this application, the undersigned attorney brings to the attention of the Patent and Trademark Office the patents listed on the attached Form PTO-1449, a copy of the listed patents being submitted herewith. The listed patents are not being submitted with this Supplemental Information Disclosure Statement because they are available in the USPTO file for Application Serial No. 08/529,216, the parent application from which this application claims priority.

All of the references listed on the attached Form PTO-1449 except *Shavit et al.* (USP 4,799,156) were identified in a first or second pleading in a South African patent infringement lawsuit involving a corresponding South African patent. If the Examiner wishes to have additional information regarding the South African litigation or pleadings, the Examiner is urged to call the undersigned at the telephone number listed below.

The Examiner is requested to initial the attached Form PTO-1449 and to return a copy of the initialed document to the undersigned as an indication that the enclosed reference has been considered and made of record.

Submission of this Supplemental Information Disclosure Statement is not to be construed as a representation that no better references exist, or that any submitted reference is material merely because it has been cited herein. If there are any questions regarding this submission, the Examiner is urged to call the undersigned at the telephone number listed below.

It is believed that no fee is due for filing this Supplemental Information Disclosure Statement. If a fee is due, the Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith to the deposit account of Nixon & Vanderhye, Account No. 14-1140.
